Any suggestion for improving the curriculum?

None

NA

na

Internships should be for more duration

short term live projects can be inculcated in the curriculum

No need of any kind of suggestion

The curriculum should be made more industry oriented and less theoretical

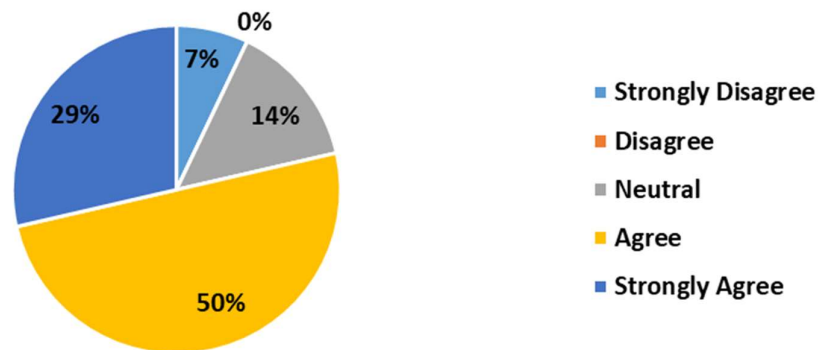

the syllabus needs alignment to the industry requirement

More practical examples should be added.

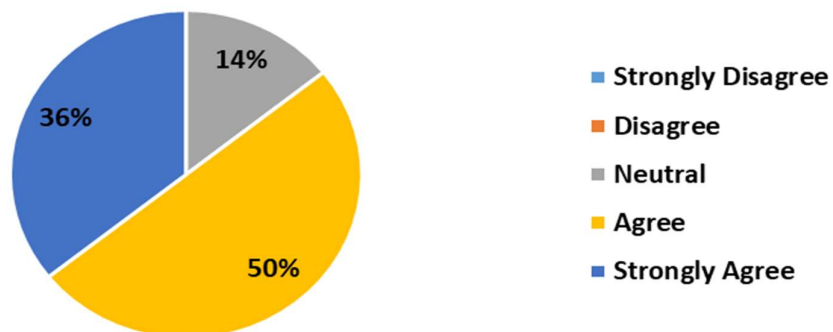

More Practical component should be there for subjects like GST and Financial Management.

N/A

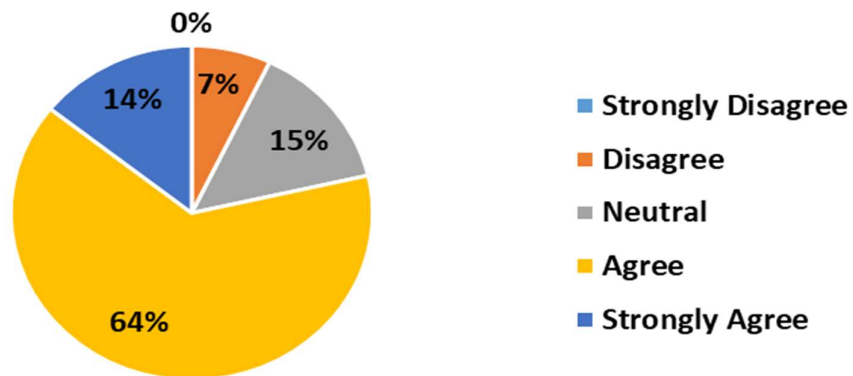

The opinion of the faculty members are taken into account during course allotment.

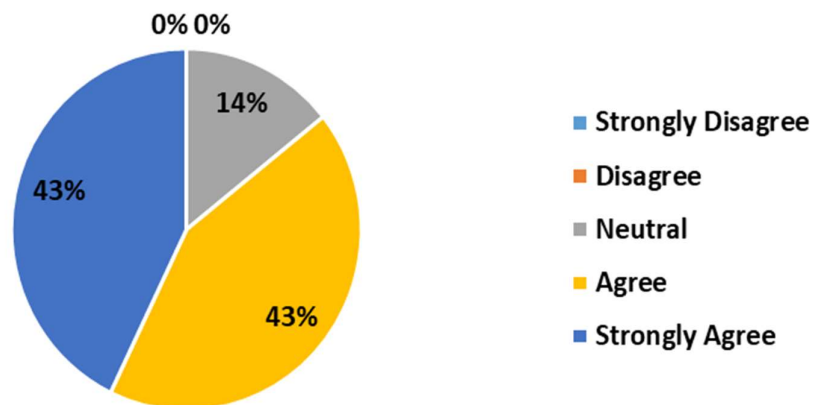

The syllabus has increased your knowledge and perspective in the subject area.

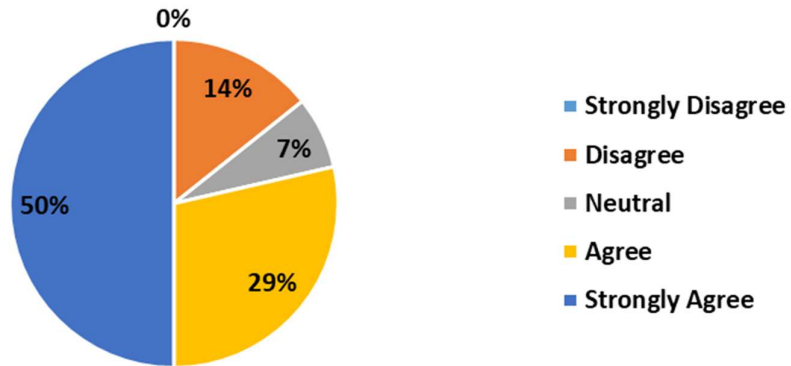

Syllabus is suitable for both slow and advance learners

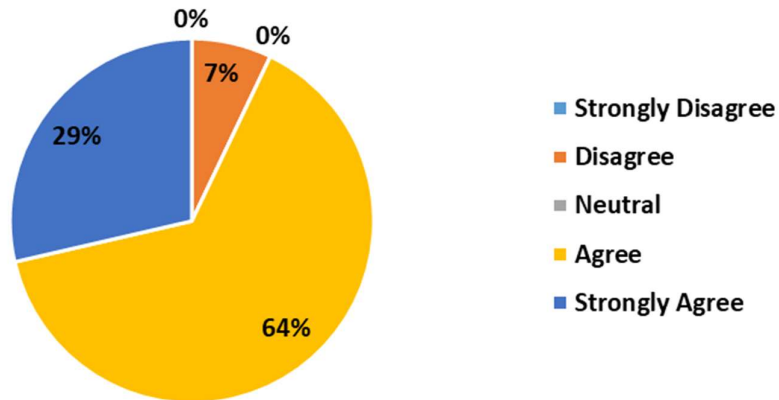

The recommended textbooks are adequate and map onto the POs, COs and PSOs of the syllabus.

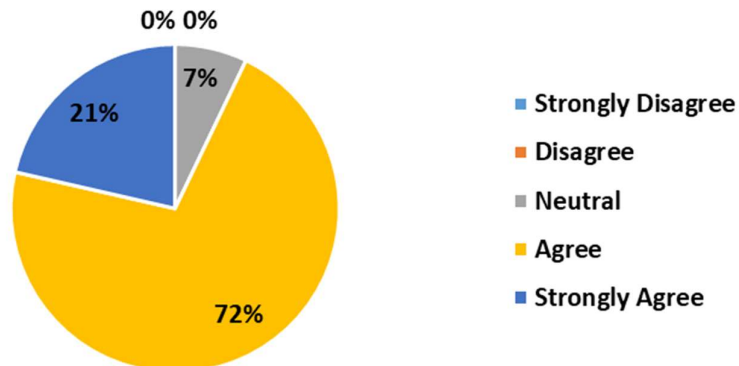

The curriculum is balanced with regard to the theoretical and practical knowledge.

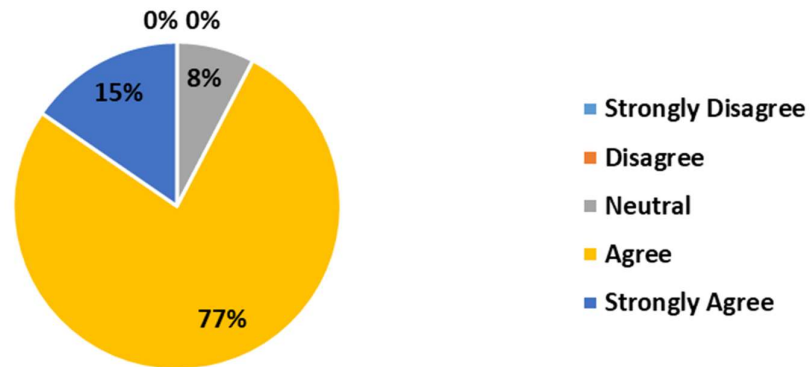

The value content in the syllabus is making the student good citizens.

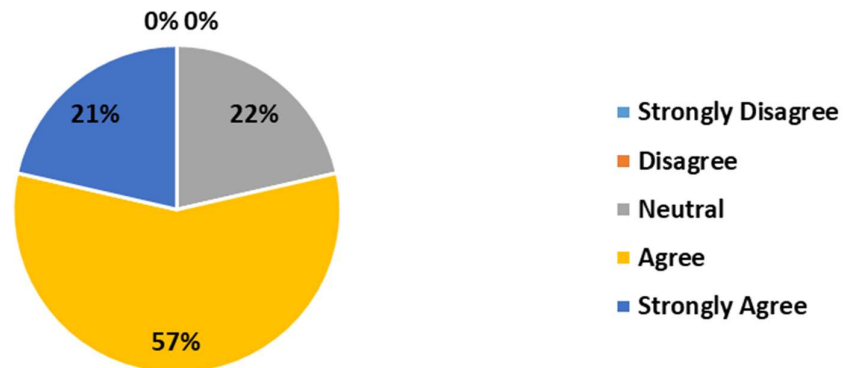

The curriculum provides opportunity for conducting research and project related activities.

The contents of the course are in conformity with the learning outcomes.

Syllabus is sufficient to bridge the gap between industry standards and current global scenarios
