## VISIT TO INSTITUTION FOR THE BLIND

*"Loss of vision need not be restricted to a term called disability, but just a diagnosis"*

Rotaract Club of JIMS, Kalkaji organized a visit to Institution for the Blind, Amar Colony on 15<sup>th</sup> January, 2018. The visit was organized on account of Lohri to distribute sweets. After the distribution of rewari, gajak, peanuts and popcorns, Rotaractors went on to play a cricket match with the students of the school.

The cricket match started with Rotaract Team on the bowling side and school team wielding the bat. The match was for total 6 overs, 3 played by each team. Rotaractors managed to make a score of 57 runs and the school team emerged victorious with a whopping 80 runs. As all the people watched with admiration, the children displayed great sportsmanship. The children were alert and listened to the beads inside the ball to hit perfect shots.

All in all the match was a wonderful experience and children performed phenomenally with rows of fours and sixes flying across the building at times by star batsman Munir. After the match, children further interacted with Rotaractors and escorted them to show their instrumental and vocal music performance lead by Rajat on the piano. They performed with Tabla and Harmonium in the background and also gave live performance for the requests made by the Rotaractors. All were truly overwhelmed by the hospitality received from children's end and spending quality time with them nothing short of inspiration on the Rotaractor's part.

## OLD AGE HOME VISIT

Rotaract Club of JIMS, Kalkaji organised a visit to an old age home on 15<sup>th</sup> February, 2018 to bridge the generational gap between youth and senior citizens through one day of open interaction. The visit saw the Rotaractors interacting with the senior citizens asking them about their life stories and their experiences.

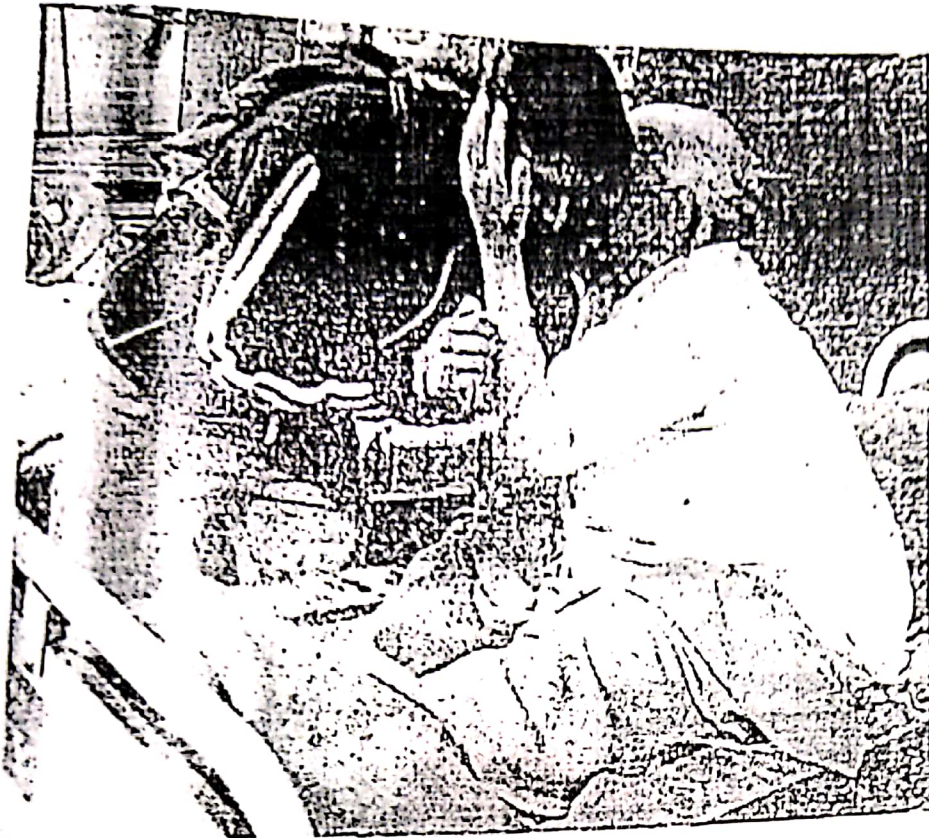

The whole facility was also shown to the Rotaractors by a resource person who also shed light on the provisions available for taking care of the people staying there. She highlighted the maximum people staying in the facility have some or the other nervous disorder and the most common among all is Alzheimer's and Dementia. She also showed a physiotherapy centre and special care unit for the people who needed intensive care. After the guided walk, the resource person also narrated incidents of how ignored our elderly citizens are as children give up on their parents who are unwell and are no longer able to take care of themselves.

Thereafter, Rotaractors had a lively session with all the people staying in the facility as they sang the songs as requested and also received plentiful of blessings for a bright and successful future.

## ANTI-TOBACCO AWARENESS SESSION

An anti-tobacco awareness session was organised by the Rotaract club of JIMS, Kalkaji on 4th April, 2018. The session was organised for the students of government senior secondary school. The Rotaractors performed a short play to put forward the negative health effects of tobacco which all the students watched intently. Thereafter, some disturbing facts about tobacco consumption were highlighted.

The session was concluded with a quick quiz in which students participated actively and answered all the questions correctly and all of it was immensely appreciated by the Principal of the school and the students alike.
