Batch : BBA (II-SEM-EVEN-MOR(2024-27))

Subject : Decision Techniques for Business (BBA 104)

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
1	Definition, Importance and Limitation		09-01-2025	1	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	09-01-2025
1	Collection of Data and Formation of Data		10-01-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	09-01-2025
1	Graphic Formation - Bar, Bars, Histogram		13-01-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	13-01-2025
1	tabulation of data		14-01-2025	1	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	14-01-2025
1	Measure of Central Tendency		16-01-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	16-01-2025
1	Mean (ungrouped and Discrete frequency distribution)		17-01-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	17-01-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
1	Median		20-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	20-01-2025
1	Partition Values		21-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	21-01-2025
1	Quatiles, deciles and percentiles		22-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	22-01-2025
1	Mode		23-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	24-01-2025
1	Measure of Variation		24-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	27-01-2025
1	Range, IQR, Quatiles, deciles and percentiles		27-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	28-01-2025
1	Standard Deviation		30-01-2025	3	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	30-01-2025
1	Variance		31-01-2025	2	Understand the basic concepts of Statistics	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	31-01-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
1	Corrected Standard Deviation		03-02-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	04-02-2025
1	Combined Standard Deviation		04-02-2025	2	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	07-02-2025
1	Lorenz Curve		05-02-2025	1	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	10-02-2025
2	Unit 2 : Correlation Analysis		06-02-2025	1	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	12-02-2025
2	Karl Pearson's Correlation Coefficient	Classroom	12-02-2025	2	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	13-02-2025
2	Spearman's Rank Correlation Coefficient	Classroom	13-02-2025	3	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	13-02-2025
2	Regression- meaning, assumption, regression lines	Classroom	14-02-2025	2	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	14-02-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
2	Ordinary Least Square Method of Regression	Classroom	17-02-2025	2	Apply Correlation and Regression concepts in business and research problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	17-02-2025
2	Practice Question set 1	Classroom	20-02-2025	2	Apply Correlation and Regression concepts in business and research problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	19-02-2025
2	Practice Question Set 2	Classroom	21-02-2025	2	Apply Correlation and Regression concepts in business and research problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	28-02-2025
2	Doubt Session for Unit 1 and Unit 2	Classroom	27-02-2025	1	Understand the basic concepts of Statistics Apply Correlation and Regression concepts in business and research problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	28-02-2025
3	Unit 3 Introduction	Classroom	10-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	10-03-2025
3	Formulation of LPP	Classroom	11-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	11-03-2025
3	Graphical Method	Classroom	12-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	13-03-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
3	Graphical Method	Classroom	17-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	17-03-2025
3	Graphical Method	Classroom	18-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	18-03-2025
3	Graphical Method	Classroom	20-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	19-03-2025
3	Standard Form of LPP	Classroom	21-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	20-03-2025
3	Simplex Method	Classroom	25-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	21-03-2025
3	Simplex Method	Classroom	26-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	25-03-2025
3	Mixed Constraint	Classroom	27-03-2025	1	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	27-03-2025
3	Duality	Classroom	28-03-2025	1	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	27-03-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
3	Class test for Unit 3	Classroom	28-03-2025	2	Explore the use of linear programming in business problem solving	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	28-03-2025
4	Unit 4 introduction	Classroom	01-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	01-04-2025
4	Transportation Problem	Classroom	03-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	03-04-2025
4	Basic Feasible Solution- NWCM	Classroom	04-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	04-04-2025
4	Basic Feasible Solution - LCM and VAM	Classroom	07-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	07-04-2025
4	Optimality Test	Classroom	08-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	08-04-2025
4	UV Method	Classroom	15-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	15-04-2025
4	UV Method	Classroom	16-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	17-04-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
4	MODI Method	Classroom	21-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	21-04-2025
4	MODI Method	Classroom	22-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	22-04-2025
4	Introduction to Assignment Problem	Classroom	23-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	23-04-2025
4	Hungarian Method	Classroom	24-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	25-04-2025
44	Restriction in Assignment Problem	Classroom	28-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	28-04-2025
4	Maximization in Assignmnet	Classroom	29-04-2025	2	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	29-04-2025
4	Question practice for AP	Classroom	02-05-2025	1	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	02-05-2025
4	Travelling Salesman Problem	Classroom	05-05-2025	1	Analyze transportation and assignment problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	02-05-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
4	Numerical Practice	Classroom	05-05-2025	1	Analyze transportation and assignment problems Evaluate alternatives before taking business decisions.	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	05-05-2025
4	Numerical Practice	Classroom	06-05-2025	1	Analyze transportation and assignment problems Evaluate alternatives before taking business decisions.	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	06-05-2025
4	Previous Years papers solved	Classroom	08-05-2025	1	Analyze transportation and assignment problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	08-05-2025
2	revision of Correlation and Regression	Classroom	09-05-2025	0	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	09-05-2025
2	Revision of Regression	Classroom	12-05-2025	0	Apply Correlation and Regression concepts in business and research problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	12-05-2025
2	Revision of Simplex Method	Classroom	13-05-2025	0	Analyze transportation and assignment problems	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	13-05-2025
1	Revision of Unit 1	Classroom	15-05-2025	0	Understand the basic concepts of Statistics	Demonstrate critical thinking and Analytical skills for business decision making. PO3 (2021-24)	15-05-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
2	Revision of unit 2	Classroom	16-05-2025	0	Apply Correlation and Regression concepts in business and research problems	Demonstrate criticalthinking and Analyticalskillsfor business decision making. PO3 (2021-24)	17-05-2025

3	Principles of Least square and Regression lines	Classroom	03-04-2025	2	Examine relationships between the variables using correlation and regression analysis	Enhance problem solving abilities for decision making in financial services and operations.	03-04-2025
3	Regression Equation and Estimation	Classroom	04-04-2025	2	Examine relationships between the variables using correlation and regression analysis	Enhance problem solving abilities for decision making in financial services and operations.	04-04-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
3	Standard Error	Classroom	07-04-2025	2	Examine relationships between the variables using correlation and regression analysis	Enhance problem solving abilities for decision making in financial services and operations.	07-04-2025
4	Unit 4 Introduction	Classroom	08-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	08-04-2025
4	Construction of Index Numbers	Classroom	16-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	16-04-2025
4	Weighted and Unweighted Construction of Index Numbers	Classroom	17-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	17-04-2025
4	Types of Tests	Classroom	18-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	17-04-2025
4	Fixed and chain base	Classroom	21-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	22-04-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
4	Univariate and composite	Classroom	22-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	23-04-2025
4	Test of Adequacy	Classroom	25-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	25-04-2025
4	Base Shifting	Classroom	28-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	28-04-2025
4	Deflating	Classroom	30-04-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	29-04-2025
4	Time Series Analysis	Classroom	01-05-2025	2	Analyze macroeconomics data using index numbers	Enhance problem solving abilities for decision making in financial services and operations.	01-05-2025
4	Fitting of Trend Line	Classroom	05-05-2025	2	Decipher the time in Trend series and interpret it for business decisions	Enhance problem solving abilities for decision making in financial services and operations.	05-05-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
4	Fitting of Trend Line-linear	Classroom	06-05-2025	2	Decipher the time in Trend series and interpret it for business decisions	Enhance problem solving abilities for decision making in financial services and operations.	06-05-2025
4	Fitting of Trend Line-Second degree	Classroom	08-05-2025	2	Decipher the time in Trend series and interpret it for business decisions	Enhance problem solving abilities for decision making in financial services and operations.	08-05-2025
4	Fitting of Trend Line-Exponential	Classroom	09-05-2025	2	Decipher the time in Trend series and interpret it for business decisions	Enhance problem solving abilities for decision making in financial services and operations.	09-05-2025
4	Shifting of Origin and Conversion of annual trend line to quarterly or monthly trend line	Classroom	12-05-2025	1	Decipher the time in Trend series and interpret it for business decisions	Enhance problem solving abilities for decision making in financial services and operations.	12-05-2025
2	Revision of Unit 2	Classroom	13-05-2025	0	Apply probability concepts to discrete and continuous random variables in a business decision context	Enhance problem solving abilities for decision making in financial services and operations.	13-05-2025
1	Revision unit 1	Classroom	15-05-2025	0	Use Statistical tools for decision making in organizations	Enhance problem solving abilities for decision making in financial services and operations.	15-05-2025

Unit No.	Topic	Teaching Methodology	Date	Per %	CO Covered	PO Covered	Completion Date
3	Revision unit3	Classroom	16-05-2025	0	Examine relationships between the variables using correlation and regression analysis	Enhance problem solving abilities for decision making in financial services and operations.	17-05-2025
