TOTAL (See Note 7 below)	A\$	86719.00

Notes:

1. The term or symbol "Dollars/\$" refers to Australian Dollars.
2. The accommodation and living expenses above are based on recent data for 12 months living in independent (i.e. open-market) shared accommodation in Sydney. **All costs are approximate and should be used as a general guide only for a single student.** Your actual costs will depend on things such as your lifestyle and ability to manage your funds. The cost of living is likely to rise from year to year, depending on the general economic circumstances at the time. In addition, some courses may require additional expenses such as uniforms, vaccinations, equipment hire, travel, field trips and specialist software. You will incur extra costs if you have dependants including but not limited to full fees for school aged dependants enrolled in either government or non-government schools.
3. You are required to purchase OSHC for yourself and any accompanying dependants for the entire time you are in Australia on a student visa. OSHC is payable upfront as a lump sum for the full length of your stay on a student visa. Medibank is the UTS preferred provider for OSHC but you may purchase OSHC from an authorised provider of your choice. The cost of cover may differ between insurers and the plan you choose. You are responsible for paying any additional charges required by your health insurer to ensure you have health cover while in Australia on a student visa. Please note that you will need to submit evidence of your OSHC arrangements when you lodge your visa application with the Department of Home Affairs. See <http://www.homeaffairs.gov.au/> for more information.
4. The quoted SSAF is based on the rate applicable for each Autumn and Spring Session in the year stated and is subject to annual increase. You will be liable to pay the SSAF applicable for each Autumn and Spring Session in which you enrol, however, you will only be charged the SSAF after the census date. UTS reserves the right to vary the method of charging the SSAF.
5. **Tuition fees are charged on a per-credit-point basis.** The above annual tuition fee assumes you will enrol in a standard 100% Credit Point load for your chosen course, which is normally 24 credit points per Session. Your actual course cost per Session may differ from this figure depending on the course and the number of credit points taken per Session. UTS reserves the right to change the number of Credit Points per Session that constitute a standard 100% Credit Point load.
6. **UTS reviews per credit point fee each year** and reserves the right to increase tuition fees in future years. Estimated tuition fees in the letter of offer are based on published per credit fee for the current year. For more information regarding International student tuition fees, please visit <https://www.uts.edu.au/current-students/managing-your-course/fees-and-payment/international-student-tuition-fees>. You must factor in the likelihood of an annual tuition fee increase into your overall budgeting, as well as considering the impact of fluctuating exchange rates if you are using funds from an overseas country.
7. Your visa may impose limits on your ability to undertake paid work. Depending on economic circumstances, work may not be easy to find. You should not rely on your work to pay for your education or living expenses.
8. The Department of Home Affairs currently requires prospective student visa applicants to be able to demonstrate that they are able to access a minimum of \$29710.00 a year towards living cost requirements while they are studying in Australia on a student visa.
9. Under 18 students who are under a UTS CAAW must reside in UTS approved accommodation. Visit <https://www.uts.edu.au/study/international/essential-information/study-heart-sydney/welfare-arrangements-students-under-18> for more information. U18 Accommodation fees are subject to annual increase.
10. For more information about your prospective course refer to: <https://www.uts.edu.au/study>.
