1) Entrepreneurial journey of Mr.Ravi Kaushik :

On 29th August 2025, JIMS hosted Mr. Ravi Kaushik, Founder of Airth . The session aimed to inspire young minds by sharing real-life entrepreneurial journeys, particularly from leaders tackling critical societal challenges. Mr. Kaushik's presence brought valuable insights into the world of sustainable innovation and clean-tech entrepreneurship. Mr. Ravi Kaushik shared his transition from the corporate world to becoming an entrepreneur, emphasizing purpose-driven innovation. He emphasized the urgent need for solutions in air quality and public health, and how startups can address these challenges effectively. Students engaged in thoughtful discussions, asking questions about startup challenges, innovation, and career opportunities. The session sparked interest in entrepreneurship, especially in the fields of environmental sustainability and healthcare technology. It helped bridge the gap between academic knowledge and real-world application, motivating students to pursue impactful innovations.

2) Tank Tales Season 4 Chapter 2 :

On 30th December 2025, successfully hosted “The Tank Tales – Beyond the Tank, Season 4, Chapter 2” featuring the inspiring co-founders of Trajectory, Mr. Raghav Mahajan and Mr. Himanshu Verma. The session was conducted under the pillars of Yi Learning, Yi Entrepreneurship, and Yi Innovation, with the objective of fostering entrepreneurial mindset among students. The speakers shared their remarkable startup journey, shedding light on innovation, business strategy, and the challenges of building a scalable brand. *A major highlight of the session was their detailed discussion on their Shark Tank India experience,* where they spoke about the rigorous preparation, intense pitching rounds, critical questioning by the Sharks, and the tedious yet transformative process behind presenting their brand on such a prestigious platform.

- 3) **Tank Tales , season 4,chapter 3:** On 4th Feb,2026 , an insightful and engaging speaker .Mr. Akshay Mahendru Co-Founder, Nootie by Pet Point ,As seen on Shark Tank India – Season 5 session aimed at exposing students to real-world entrepreneurial journeys beyond the Shark Tank platform. The session focused on understanding the practical realities of entrepreneurship, including startup challenges, brand building, scaling strategies, and lessons learned from industry experience. Mr. Akshay Mahendru also shared key insights from his book “Raising a Happy Dog”, emphasizing responsible pet parenting, empathy-driven leadership, and the importance of building trust—values that strongly reflect in both entrepreneurship and community impact.

- 4) Session on finance

: On 22nd January 2026, the Finatix Society of JIMS Kalkaji successfully organized a Workshop on AI in Corporate Finance in collaboration with Azisly.ai. The workshop aimed to introduce students to the evolving role of Artificial Intelligence in the corporate finance landscape and bridge the gap between theoretical finance concepts and real-world applications. The session was conducted by Mr. Prasun Choudhary, **Founder of Azisly.ai, IIT Kharagpur alumnus**, Ex-CEO of OYO Japan, and President of OYO International. The workshop witnessed enthusiastic participation from 60+ students who gained valuable insights into how AI is transforming financial analysis, reporting, decision-making, and professional skill development. .
