ABOUT THE INSTITUTE

The Institute aims to be a center of excellence, promoting value based quality education in the contemporary areas of advanced professional studies in Information Technology, Media Education and Management. Institute of Information Technology & Management (IITM) was set up in 1999 under the aegis of Mata Leelawati Shikshan Sansthan (MLSS), a registered education society engaged in philanthropic activities, with the late Shri T.N. Chaturvedi, the well-known educationist, parliamentarian, ex-Governor of Karnataka and CAG of India and Padma Vibhushan Awardee, as founder President of both the society and the Institute. The Institute takes pride in having developed the faculty resource, extended curricular engagements, infrastructure imperative to effectively implement 'Outcome Based Education'- a technology-based, learner centric and result-oriented approach which enhances students' learning and performance capabilities. The institute also emphasizes on green practices, sustainability and inculcating human and moral values amongst students. Institute is also passionate about grooming the nation's youth to grow into good human beings and excellent professionals destined to become torchbearers of their respective domains.

The Institute of Information Technology & Management (IITM) is affiliated to Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi. IITM is accredited by National Board of Accreditation (NBA) & National Assessment and Accreditation Council (NAAC) Grade - A, Rated Category 'A+' by SFRC & 'A' Grade (Highest Category) by JAC Govt. of NCT of Delhi. Approved by AICTE & Affiliated to GGS Indraprastha University, New Delhi Recognized U/S 2(f) of UGC Act. The institute offers AICTE approved MCA, MBA, BCA & BBA programmes and GGSIPU affiliated B.Com(Hons) & BA(JMC) programmes. The institute is known for Academic Excellence, Skill development and Leadership for last 25 years.

ABOUT THE DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies aims to promote value-based quality education to the students, impart skills & training in the management and allied areas. The Management department at IITM is committed to academic excellence and professional growth, empowering students to thrive in a dynamic global environment. With a focus on experiential learning, the department offers BBA & MBA which provides hands-on opportunities through field visits, team projects, and educational tours. The department focuses on the holistic development approach. It adopts diverse and comprehensive pedagogy in the field of leadership, management practices, and financial inclusion which includes case studies, role plays, group discussions, and simulation workshops to ensure interactive learning. The curriculum emphasizes development across domains including IT skills (data analytics), Management Skills (Leadership, Financial Analysis), Soft Skills (Communication, Teamwork), Entrepreneurship (Risk-taking potential), and Thinking Skills (creativity and Research). Enrichment programs such as personality development workshops, entrepreneurship initiatives, and skill enhancement activities further support holistic student growth. Guided by a "Learning by doing" philosophy.

ABOUT THE CONFERENCE

The National Conference on 'Driving Innovation and Sustainability: Bridging Management, Economics, Business, Social Science, and Entrepreneurship' serves as a dynamic platform bringing together academicians, industry leaders, entrepreneurs, policymakers, and students to explore interdisciplinary approaches that promote sustainable development through innovation. Oriented around four tracks—business and management, information technology, social sciences and media, and economic strategies—the conference delves into themes such as ESG integration, entrepreneurship, sustainability communication, green finance, education, culture and digital media, social innovation, and more. In addition to collaboration aimed at addressing global challenges aligned with the Sustainable Development Goals (SDGs), the conference also serves as a forum to explore and envision responsible pathways for the future.

Objectives of Conference

1. Foster Interdisciplinary Collaboration

To create a dynamic platform that encourages knowledge-sharing and collaboration among academicians, industry experts, entrepreneurs, policymakers, and students from diverse fields to address complex sustainability challenges.

2. Promote Innovation for Sustainable Development

To explore innovative practices, models, and technologies that drive sustainable growth across sectors, in alignment with the United Nations Sustainable Development Goals (SDGs).

3. Enhance Awareness on ESG and Responsible Business Practices

To deepen understanding and encourage the adoption of Environmental, Social, and Governance (ESG) frameworks, green finance, and sustainability communication strategies among businesses and institutions.

4. Encourage Social Innovation and Digital Transformation

To highlight the role of social sciences, media, and digital technologies in promoting cultural shifts, social innovation, and responsible entrepreneurship aimed at building an inclusive and resilient future.

TRACK #1 : INNOVATIVE PRACTICES IN BUSINESS AND MANAGEMENT FOR SUSTAINABLE GROWTH

- Sustainable marketing and green branding strategies
- Integration of ESG in corporate decision-making
- Green HRM and organizational culture for sustainability
- Business model innovation and circular economy
- Responsible leadership and ethical management practices
- Data-driven decision-making for environmental and social impact
- Innovation in supply chain and operations for carbon reduction
- Sustainable finance, CSR, and stakeholder engagement
- Leveraging digital transformation (AI, IoT, Blockchain) for sustainable business
- Cross-industry collaboration for inclusive and sustainable innovation

TRACK #2 : ENTREPRENEURSHIP FOR A SUSTAINABLE FUTURE

- Green startups and eco-entrepreneurial ecosystems
- Women and youth entrepreneurship in the sustainability space
- Financing and scaling sustainable ventures: Role of impact investors and VCs
- Incubation and acceleration of purpose-driven enterprises
- Sustainable innovation in rural and grassroots entrepreneurship
- Policy and regulatory frameworks supporting sustainable entrepreneurship
- Entrepreneurship education and sustainability mindsets
- Technology and digital platforms enabling inclusive entrepreneurial growth
- Social entrepreneurship and community-based enterprises
- Measuring social and environmental impact in entrepreneurial ventures

TRACK #3 : FRAMING SUSTAINABILITY: SOCIAL SCIENCES AND MASS MEDIA PERSPECTIVES

- Media narratives and public perception of climate change
- Role of journalism and communication in environmental advocacy
- Cultural studies and sustainability: Local values and global challenges
- Influence of social media in shaping pro-environmental behavior
- Psychological insights into consumerism and ecological responsibility
- Participatory media and citizen engagement for sustainability
- Ethics, representation, and responsibility in sustainability communication
- Policy communication and framing of sustainability issues
- Popular culture, entertainment media, and environmental awareness
- Interdisciplinary approaches: Linking sociology, psychology, and mediastudies for sustainability

TRACK #4 ECONOMICS FOR A GREENER FUTURE: INNOVATION, INCLUSION, AND IMPACT

- Green finance, carbon markets, and sustainable investment strategies
- Environmental economics and the cost of ecological degradation
- Circular economy and resource-efficient economic models
- Inclusive economic growth and reduction of inequality
- Behavioral economics and nudging for environmental action
- Climate change economics: Mitigation, adaptation, and resilience
- Sustainable development goals (SDGs) and economic policy alignment
- Taxation, subsidies, and incentives for sustainable production and consumption
- The role of economic institutions in sustainability transitions
- Post-pandemic economic recovery with a sustainability lens

ABOUT THE INSTITUTE

The Institute aims to be a center of excellence, promoting value based quality education in the contemporary areas of advanced professional studies in Information Technology, Media Education and Management. Institute of Information Technology & Management (IITM) was set up in 1999 under the aegis of Mata Leelawati Shikshan Sansthan (MLSS), a registered education society engaged in philanthropic activities, with the late Shri T.N. Chaturvedi, the well-known educationist, parliamentarian, ex-Governor of Karnataka and CAG of India and Padma Vibhushan Awardee, as founder President of both the society and the Institute. The Institute takes pride in having developed the faculty resource, extended curricular engagements, infrastructure imperative to effectively implement 'Outcome Based Education'- a technology-based, learner centric and result-oriented approach which enhances students' learning and performance capabilities. The institute also emphasizes on green practices, sustainability and inculcating human and moral values amongst students. Institute is also passionate about grooming the nation's youth to grow into good human beings and excellent professionals destined to become torchbearers of their respective domains.

The Institute of Information Technology & Management (IITM) is affiliated to Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi. IITM is accredited by National Board of Accreditation (NBA) & National Assessment and Accreditation Council (NAAC) Grade - A, Rated Category 'A+' by SFRC & 'A' Grade (Highest Category) by JAC Govt. of NCT of Delhi. Approved by AICTE & Affiliated to GGS Indraprastha University, New Delhi Recognized U/S 2(f) of UGC Act. The institute offers AICTE approved MCA, MBA, BCA & BBA programmes and GGSIPU affiliated B.Com(Hons) & BA(JMC) programmes. The institute is known for Academic Excellence, Skill development and Leadership for last 25 years.

ABOUT THE DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies aims to promote value-based quality education to the students, impart skills & training in the management and allied areas. The Management department at IITM is committed to academic excellence and professional growth, empowering students to thrive in a dynamic global environment. With a focus on experiential learning, the department offers BBA & MBA which provides hands-on opportunities through field visits, team projects, and educational tours. The department focuses on the holistic development approach. It adopts diverse and comprehensive pedagogy in the field of leadership, management practices, and financial inclusion which includes case studies, role plays, group discussions, and simulation workshops to ensure interactive learning. The curriculum emphasizes development across domains including IT skills (data analytics), Management Skills (Leadership, Financial Analysis), Soft Skills (Communication, Teamwork), Entrepreneurship (Risk-taking potential), and Thinking Skills (creativity and Research). Enrichment programs such as personality development workshops, entrepreneurship initiatives, and skill enhancement activities further support holistic student growth. Guided by a "Learning by doing" philosophy.

ABOUT THE CONFERENCE

The National Conference on 'Driving Innovation and Sustainability: Bridging Management, Economics, Business, Social Science, and Entrepreneurship' serves as a dynamic platform bringing together academicians, industry leaders, entrepreneurs, policymakers, and students to explore interdisciplinary approaches that promote sustainable development through innovation. Oriented around four tracks—business and management, information technology, social sciences and media, and economic strategies—the conference delves into themes such as ESG integration, entrepreneurship, sustainability communication, green finance, education, culture and digital media, social innovation, and more. In addition to collaboration aimed at addressing global challenges aligned with the Sustainable Development Goals (SDGs), the conference also serves as a forum to explore and envision responsible pathways for the future.

Objectives of Conference

1. Foster Interdisciplinary Collaboration

To create a dynamic platform that encourages knowledge-sharing and collaboration among academicians, industry experts, entrepreneurs, policymakers, and students from diverse fields to address complex sustainability challenges.

2. Promote Innovation for Sustainable Development

To explore innovative practices, models, and technologies that drive sustainable growth across sectors, in alignment with the United Nations Sustainable Development Goals (SDGs).

3. Enhance Awareness on ESG and Responsible Business Practices

To deepen understanding and encourage the adoption of Environmental, Social, and Governance (ESG) frameworks, green finance, and sustainability communication strategies among businesses and institutions.

4. Encourage Social Innovation and Digital Transformation

To highlight the role of social sciences, media, and digital technologies in promoting cultural shifts, social innovation, and responsible entrepreneurship aimed at building an inclusive and resilient future.

TRACK #1 : INNOVATIVE PRACTICES IN BUSINESS AND MANAGEMENT FOR SUSTAINABLE GROWTH

- Sustainable marketing and green branding strategies
- Integration of ESG in corporate decision-making
- Green HRM and organizational culture for sustainability
- Business model innovation and circular economy
- Responsible leadership and ethical management practices
- Data-driven decision-making for environmental and social impact
- Innovation in supply chain and operations for carbon reduction
- Sustainable finance, CSR, and stakeholder engagement
- Leveraging digital transformation (AI, IoT, Blockchain) for sustainable business
- Cross-industry collaboration for inclusive and sustainable innovation

TRACK #2 : ENTREPRENEURSHIP FOR A SUSTAINABLE FUTURE

- Green startups and eco-entrepreneurial ecosystems
- Women and youth entrepreneurship in the sustainability space
- Financing and scaling sustainable ventures: Role of impact investors and VCs
- Incubation and acceleration of purpose-driven enterprises
- Sustainable innovation in rural and grassroots entrepreneurship
- Policy and regulatory frameworks supporting sustainable entrepreneurship
- Entrepreneurship education and sustainability mindsets
- Technology and digital platforms enabling inclusive entrepreneurial growth
- Social entrepreneurship and community-based enterprises
- Measuring social and environmental impact in entrepreneurial ventures

TRACK #3 : FRAMING SUSTAINABILITY: SOCIAL SCIENCES AND MASS MEDIA PERSPECTIVES

- Media narratives and public perception of climate change
- Role of journalism and communication in environmental advocacy
- Cultural studies and sustainability: Local values and global challenges
- Influence of social media in shaping pro-environmental behavior
- Psychological insights into consumerism and ecological responsibility
- Participatory media and citizen engagement for sustainability
- Ethics, representation, and responsibility in sustainability communication
- Policy communication and framing of sustainability issues
- Popular culture, entertainment media, and environmental awareness
- Interdisciplinary approaches: Linking sociology, psychology, and mediastudies for sustainability

TRACK #4 ECONOMICS FOR A GREENER FUTURE: INNOVATION, INCLUSION, AND IMPACT

- Green finance, carbon markets, and sustainable investment strategies
- Environmental economics and the cost of ecological degradation
- Circular economy and resource-efficient economic models
- Inclusive economic growth and reduction of inequality
- Behavioral economics and nudging for environmental action
- Climate change economics: Mitigation, adaptation, and resilience
- Sustainable development goals (SDGs) and economic policy alignment
- Taxation, subsidies, and incentives for sustainable production and consumption
- The role of economic institutions in sustainability transitions
- Post-pandemic economic recovery with a sustainability lens

12th International Conference on Business Analytics and Intelligence (ICBAI-2025)

Date: 15-17 December 2025

**Venue : Dr. APJ Abdul Kalam Arangam
Madurai Kamaraj University
Madurai - 625021**

Conference Website: <https://www.mgmt.iisc.ac.in/icbai2025>

ICBAI-2025 : CALL FOR PAPERS

The **Operational Research Society of India - Karnataka (ORSI-KA)**, Department of Management Studies, Indian Institute of Science (IISc), Bangalore, the **Analytics Society of India (ASI)**, DCAL IIM Bangalore, and **Department of Econometrics**, School of Economics, Madurai Kamaraj University (MKU), Madurai are happy to announce the **12th International Conference on Business Analytics and Intelligence (ICBAI-2025)**, scheduled during **December 15-17, 2025 at Dr. APJ Abdul Kalam Arangam, Madurai Kamaraj University, Madurai, India.**

The aim of the **event: ICBAI-2025** is to create a leading platform and facilitate knowledge sharing for distinguished practitioners, academicians and researchers from industry and academia on current utilities of **Operations Research (OR), Econometrics, Business Analytics (BA), and Business Intelligence (BI)**. With this objective, we invite industry professionals and academics to submit **abstract/paper** for presenting their work/research in the following and the related fields of **OR, Econometrics, Decision Science, Engineering Science, Management, BA and BI.**

Analytics / Econometrics / Optimization in Business, Engineering, Management, and Science
Analytics / Econometrics / Optimization in Humanities & Social Studies
Analytics / Econometrics / Optimization in Big Data, Blockchain, Cloud Computing, and Data Science
AI / ML in Business, Engineering, Management, and Science
Applied Mathematics in Business, Engineering, Management, and Science

- Applied Statistics in Business, Engineering, Management, and Science
- Business Analytics / Intelligence in Business, Engineering, Management, and Science
- Heuristic Optimization in Business, Engineering, Management, and Science
- Heuristic Optimization in Big Data, Blockchain, Cloud Computing, and Data Science
- Simulation in Business, Engineering, Management, and Science

SUBMISSION GUIDELINES:

- Extended abstract (about 1000 words) should be submitted through email: orsi.bgr@gmail.com
- Abstracts must include a clear indication of the purpose of study, sources of data, methodology, major results, implications and key references.
- Submission must be in MS-Word format.
- All submissions will be reviewed and accepted abstracts will be communicated.
- Full paper submission is mandatory for (i) considering best-paper competition and (ii) inclusion in the proceedings. Otherwise, it is optional.

PUBLICATIONS:

Proceedings

- All accepted and interested full length papers will be published in the conference proceedings by **Springer or CRC Press or any ISBN publication (to be confirmed).**

Special Issues (Scopus Indexed Journals)

- Journal **OPSEARCH** - <https://www.springer.com/journal/12597>
- International Journal of Operational Research (**IJOR**) - <https://www.inderscience.com/jhome.php?jcode=ijor>
- International Journal of Business Performance and Supply Chain Modelling (**IJBPSM**) - <https://www.inderscience.com/jhome.php?jcode=ijbpscm>
- International Journal of Advanced Operations Management (**IJAOM**) - <https://www.inderscience.com/jhome.php?jcode=ijaom>
- International Journal of Mathematical, Engineering and Management Sciences (**IJMEMS**) - <http://www.ijmems.in/>

Note: All submissions shall go through the standard review process set by the journals.

CALL FOR RESEARCH PAPERS

Vision for Viksit Bharat@2047 : Bharat is at a pivotal juncture to develop a new economic architecture with thrust on innovation, entrepreneurship and policy leadership. As the country continues on the track towards becoming a developed economy by the year 2047, commerce and entrepreneurship will play a crucial role in digital, urban and rural ecosystems. With digital technologies, e-commerce, MSME and start-ups taking the lead, Bharat has a unique opportunity to enable equitable and sustainable development. This International Conference explores the role of artificial intelligence, digital transformation, sustainable development, marketing strategies, HR innovation and leadership in policy and education in catalysing inclusive growth.

SUB-THEMES

- Entrepreneurship, Inclusion, and Empowerment for Viksit Bharat
- Education, Skill Development, and NEP 2020 for Innovation
- Start-Ups, MSMEs, and Innovation-Driven Growth
- Technology, Digital Transformation, and Emerging Tech in Commerce
- Policy, Leadership, and Sustainable Development Goals (SDGs)
- Industry Participation, PPPs, and Academic Collaboration
- Marketing Strategies for Entrepreneurial Growth
- Human Resource Strategies for Entrepreneurial Success

About the College:

Rajdhani College is a constituent college of the University of Delhi and has completed 60 glorious years of academic excellence and celebrated its diamond jubilee last year. The college complex has an air conditioned Seminar/Conference Room, an air-conditioned Auditorium, a well-stocked Library with Computer & Internet facility with access to more than one lac scholarly books and eBooks on various subjects. The college has well-equipped Science Laboratories, as well as Math and Computer Laboratories. We offer courses in: Commerce, Humanities, and Social Science, and Science Stream. Among the different honors courses the college offers Bachelor with Honors Commerce, Bachelor with Honors in English, Hindi, Sanskrit, History, Political Science, Economics, and Bachelor with Honors in Chemistry, Physics, Mathematics and Electronics. Apart from that the college also offers B. Tech. Electronics, and B. Tech. Computer Sciences. The college also offers post graduate courses in English, Hindi, History and Commerce. For an overall development of the students co-curricular activities are organised through various societies. Every department has its own society which conducts regular academic programmed and events relating to its subject area. Apart from the departmental societies like the Economics Society, English Literary Society (ELA), Physics and Electronics Society, Robotics Society, there are other societies and committees as well. The Debating Society aims on developing a sharp and logical mind and organises debates on stimulating topics. The Cultural Committee organizes various cultural activities so that the students remain deeply rooted in their culture and respect and value other cultures, also 'Abhivyakti' specializes in promoting dance and drama and thus it provides an exclusive space for expression to the students. It also acts as a catalyst to bring out the hidden talents of the students. Trekking, Mountaineering and Environmental Protection Club offers students opportunities for personality development and enrichment by means of promoting environmental appreciation, awareness and During last fifty years the faculty and students brought laurels to the college in all fields.

Rajdhani College has organized Vice Chancellors Conclave, Many National and International Conferences, Workshops, Faculty Development Programs, Lecture of series and many more academics activities on the different topics continuously since last eight years. Our last three International Conferences were very Successful respectively.

1st International Conference on Emerging Issues in Business and Economic Research- 2021.

Our Galaxy of the Speakers from around the Globe like **United States of America, Belgium, Kingdom of Bahrain, Bangladesh, Kingdom of Saudi Arabia, Oman, Singapore, UAE, Romania, London, UK, Australia, Switzerland, Germany, Zimbabwe, Sri Lanka, Kazakhstan, Paris-France.**

About the Conference:

International Conference on Reimagining Future of Learning : The Role of Artificial Intelligence in Education-2026 will be held online mode in India on 25-26 April, 2026 is an interdisciplinary International Conference that invites academics, independent scholars and researchers from around the Globe to meet and exchange the latest Innovative ideas and discuss issues concerning in the fields of Business and Economics Education & Research. Connect theoretical research with practical applications to drive real-world impact in business and innovation.

Academic Ethics

Articles submitted to the conference should report original, previously unpublished research results, experimental or theoretical and must not be under consideration for publication elsewhere. We firmly believe that ethical conduct is the most essential virtue of any academic activity. Hence any act of plagiarism is totally unacceptable.

The aims and objectives of ICREL 2026 are: • The conference is to explore how Artificial Intelligence can transform teaching, learning, assessment, and educational governance, and to create a collaborative global platform for researchers, educators, policymakers, and industry experts to discuss innovative, ethical, and future-ready AI-driven educational practices. AI is reshaping education through personalized learning, smart assessment, data-driven decision-making, and inclusive teaching approaches, making it essential to rethink traditional educational models. The objectives of ICREL 2026 are

- Showcase innovative research, best practices, and emerging AI technologies in education.
- Encourage interdisciplinary dialogue among academicians, technologists, and policymakers.
- Discuss adaptive learning systems, intelligent tutoring, and personalized education models.
- Promote inclusive AI tools supporting diverse learners and students with special needs.

Share best practices and promote international partnership and cooperation among Academics and Professional from all over the world 5th International Conference On Reimagining Future of Learning : The Role of Artificial Intelligence in Education-2026.

Papers Guidelines:

Papers will be checked for plagiarism and sent for double blind review. All papers (written in 12 point Times New Roman) should abstract (within 150-200 words), keywords (limited to 5 only), referencing I APA (7th edition) style. Selected papers will be published in different reputed journals (regular or special issue) and edited books. The journal and book information will be updated continually. Upon selection, the papers processing will be as per the specific journal policy and style.

Please send your abstract and full paper to Email ID
