Additional costs: **Any additional costs relating to this course and how to pay them will be listed on the relevant Coursefinder page at courses.leeds.ac.uk.**

This offer is unconditional.

Exception(s)

IMPORTANT - Deadlines apply to meeting offer conditions and to making a deposit payment to secure your place for Leeds University Business School programmes. (Deposit payment is not required for UK applicants). For details, please refer to <https://business.leeds.ac.uk/masters/doc/apply-2>.

Admission is subject to presenting your original degree certificate and transcript of grades, meeting the University requirement of 60% / First Class from Guru Gobind Singh Indraprastha University, to the Taught Postgraduate Secretary in Leeds University Business School by no later than 29th March 2024. Failure to present may result in the withdrawal of this offer and your exclusion from the University.

Accepting your offer

In order to accept this offer of a place, you should visit your applicant portal at application.leeds.ac.uk. There is no deadline to accept your place, unless explicitly stated in the offer confirmation email sent to you.

Criminal convictions

If you have any relevant unspent criminal convictions, you will need to inform us within 14 days of accepting your offer by sending the following details to declaration@leeds.ac.uk: your name, your application ID number, the programme applied for and the title of the offence for which you were convicted, including the date and sentence imposed. Full details of the criminal conviction policy, the process followed and the list of relevant convictions can be found at www.leeds.ac.uk/declaration. You do not need to email us if you do not have a criminal conviction.

Important information

We know that choosing to pursue a postgraduate degree is a big step. To help you through the process, please visit our dedicated offer holder webpages at www.leeds.ac.uk/masters-offer. Here you will find lots of useful information, including details of accommodation, facilities and support. You will also be able to chat online to our current students to find out more about life at the University of Leeds.

Please be aware that we will continue to review our courses and other elements of the student experience in response to COVID-19, as required. We may need to adapt our provision to ensure students remain safe. For the most up-to-date information on COVID-19, regularly visit our website, which we will continue to update: www.leeds.ac.uk/covid19faqs.

Course information

Important up-to-date information about your course can be found at courses.leeds.ac.uk. This includes course content, outline module information (including which modules are compulsory or optional), methods of teaching and assessment, and whether your course is professionally accredited. You will also be able to see the circumstances where changes may be made to your course.

The University reviews all our courses on a regular basis. The exact details of the modules available, including methods of teaching and assessment and specific content, are due to be published on 2 May 2023 in the University's Module and Programme Catalogue at www.leeds.ac.uk/PGTprogramme-catalogue. In the unlikely event that there are any significant changes since you submitted your application, you will be notified.

Paying your fees

If you are self-funding, you must either pay your fee in full before you register or pay 50% before you register and set up an instalment plan to pay the remaining balance. Please do not use third-party agents to transfer payments to the University of Leeds, as this can significantly increase your risk of being exposed to financial crime.

You may be asked to supply details on the source of your funds. We must do this (where relevant) as part of the controls implemented by the University to ensure compliance with financial sanctions and anti-money laundering regulations, and to ensure our bank will accept payments from you. This offer of study does not guarantee that we can accept your source of payment and failure to provide an acceptable source of payment may result in the withdrawal of this offer. During your studies and as part of the ongoing controls required to ensure compliance, we may require further information regarding the source of funds associated with payments. Failure to provide this information may affect your ongoing status as a student.

If you are receiving a Postgraduate Master's Loan from Student Finance England you can

set up an alternative instalment plan of three payments by direct debit in line with your loan payments. This will only be available if we have received confirmation from Student Finance England that your Postgraduate Master's Loan has been approved, therefore you are encouraged to apply as early as possible at www.gov.uk/masters-loan/apply. The Postgraduate Master's Loan is available to help with course fees and living costs while you study and therefore may not cover your tuition fees in full. For more information about postgraduate loans and eligibility, please see www.gov.uk/masters-loan.

If you are from a Channel Island or the Isle of Man, you should seek guidance from your island education office.

If you are sponsored by a third-party organisation, you must provide an official sponsor letter before you register. Please visit www.leeds.ac.uk/sponsoredstudents for more information.

Further information on fees, student loans and payment arrangements can be found at www.leeds.ac.uk/mastersfees.

Scholarships

Postgraduate students at the University of Leeds benefit from a wide range of full and partial tuition fee scholarships and maintenance awards from the University and external organisations. Due to the diversity of awards available, our scholarship application forms are customised and the criteria for eligibility vary between schemes. For more information, please visit our scholarships website at masters-scholarships.leeds.ac.uk.

Student visas

If you need a Student visa to study in the UK you will require a Confirmation of Acceptance for Studies (CAS) from the University. The earliest that a CAS can be issued is six months before the course start date and after you have met the conditions of your offer, supplied all the necessary information, such as your passport details, and paid a tuition fee deposit of £1,500, if applicable. You do not need to contact us to request a CAS. You must obtain your visa before travelling to the UK. We will only ask you to pay the deposit if you accept an unconditional offer via the application portal. More information about the deposit will be sent to you at that time. You should only pay if you are committed to attending for this year of entry.

If you are already in the UK and have a Student visa, (previously known as Tier 4) for a different institution, and you meet the conditions of applying for a new Student visa in the UK, you will not be able to register or start your studies unless you can provide evidence that you have used your University of Leeds CAS to apply for a Student visa to study with us.

You should make your visa application as soon as you have the required supporting documents (academic and financial). This offer of study does not guarantee that the University will be able to sponsor you for a Student visa. For more information, please see www.leeds.ac.uk/studentvisa.

Membership and alumni

As a University of Leeds student, you will automatically become a member of the University. This membership usually continues beyond your time of study as you will join a community of over 300,000 Leeds alumni, representing the University's lifetime commitment to you. You will have access to certain University services and a vast support network and will have opportunities to attend events and reunions, learn about volunteering and fundraising, stay connected and create new connections that can help your career.

Contract, withdrawal and disclaimer

This letter together with the student contract make up the agreement between you and the University. A copy of the student contract can be found at www.leeds.ac.uk/studentcontract.

You may cancel your agreement with the University and withdraw from your course, without reason, up to 14 days after the start date of your course (as stated on this letter) by emailing registration@leeds.ac.uk. You can also cancel this agreement and withdraw from the University if there is a material change to your course or fees that you do not agree to.

The University may terminate our agreement with you, not permit you to re-register next year and require you to withdraw from the University, if you become unfit to study or otherwise fail to meet your commitments to the University, for example, by the non-payment of fees, inappropriate conduct or making unsatisfactory academic progress.

The **University's disclaimer** can be found within the student contract. **We recommend you read the student contract** as it includes more details on the above points, together with other important information concerning your rights and commitments.

Privacy notice

The University will process your personal data for the administration of your position as a student, including the use of University services, such as residential services, lecture capture, attendance monitoring, the Library and sports facilities. Fee information for international students

In accordance with the [UK Fees Regulations \(England Higher Education\) \(http://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-fee-status#RLhttp://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-fee-status\)](http://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-fee-status#RLhttp://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-fee-status) and from the information you have provided you have been initially assessed as an international student for fee purposes and therefore you will be charged the international tuition fee rate. If the information you have provided is incorrect, your circumstances have changed or if you require clarification of your fee status, please contact us immediately.

Please be informed that if you register and start your course as an international fee-paying student, in most cases you will be required to pay the international rate of fees for the full duration of your studies at Anglia Ruskin University. The international fee rate will apply to you unless there is a change in your circumstances that would make you eligible for the 'home' fee rate. Therefore, if you are expecting your immigration status to change in the near future, and this is likely to result in you being eligible for the 'home' fee rate, we strongly advise you to defer your place to a future intake, so that your fee status can be re-assessed before commencing the course and to ensure that you are on the correct fee regime at the outset of your course. For further information on this please see [the UKCISA website \(http://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/Home-or-Overseas-fees-the-basics#layer-3834\)](http://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/Home-or-Overseas-fees-the-basics#layer-3834).

Scholarships

You will be automatically considered for any scholarships (which do not have a separate application process) you are eligible for, and if you meet the requirements your scholarship will be stated in your offer. Any monetary scholarship mentioned in your offer letter will be deducted from your tuition fees upon registration.

Deposits

If your offer is conditional upon you paying a tuition fee deposit, please see the attached Supplementary Information for further details on how to pay your deposit.

Please note that requests for refunds of any deposit paid will be administered in accordance with the University Tuition Fees section in the Rules, Regulations and Procedures for Students. A refund of a deposit where applicable may not be given in the event of a refusal of a visa should the University not be at fault, including if the refusal arises from you giving false or incomplete information to the United Kingdom Visas and Immigration (UKVI).

The deposit payment is taken into account when calculating the amount left to pay for tuition fees. The deposit will be deducted from your overall tuition fee liability for the first year of study.

Please note that you will be required to pay 60% of your tuition fees before you complete registration with the University. Further information on the payment of tuition fees is located on the attached Supplementary Information sheet.

Tuition fees

The tuition fee information provided in this offer letter applies to students joining in the 2023/2024 academic year. If your place is deferred to the next academic year 2024/2025 please be aware that you will be subject to the tuition fee and related fees information applicable for that academic year, and there may be an increase in the fees.

The University sets its tuition fees annually for International Students. Students pay tuition fees for each year of their course and the fees set for future academic years may be higher than those set for the 2023/2024 academic year. For each future academic year of your course of study, your tuition fees

may be subject to review and increase on an annual basis in line with the Retail Prices Index (RPIX) plus 2%. RPIX is a measure of inflation equivalent to the all items Retail Price Index (RPI) excluding mortgage interest payments. RPIX is provided monthly by the Office for National Statistics and is used annually at a set month to show an annual rate of change to apply inflation. This means that your tuition fees will not be increased each year by more than RPIX + 2% from the previous year's fees.

The University will use the percentage change in RPIX (or a comparable index if RPIX is subsequently abolished) from the preceding year's end of March figure to the current year's March figure for the purposes of calculating the change in RPIX to be used in determining any increase in tuition fees for the following academic year. As at March 2022 the RPIX was 9.1% (March 2021 was 1.6%).

The change in RPIX between March 2022 and March 2023 (plus a maximum of 2%) will therefore be the index applied to the continuing students entering 2023/2024 academic year tuition fees in order to determine the tuition fees for the 2024/2025 academic year. By way of example (for illustrative purposes only), if the increase in RPIX from March 2022 to March 2023 was 9.1% and if a student's tuition fee for the 2022/2023 academic year was £10,000 then the maximum figure that the University could charge that student for their tuition fee for the 2023/2024 academic year would be £11,110 (£10,000 increased by 11.1% (9.1% + 2%)).

Any increase in tuition fees will be notified to you before the start of the academic year to which the increase applies. Students affected by any increase will not therefore be obliged to continue with their course if they do not wish to pay the increased fees.

Further information about tuition fees, including when and how they are payable, is located in the University's **Rules, Regulations and Procedures for Students** (https://www.aru.ac.uk/-/media/Files/about-us/corporate-documents/Rules_Regulations_Procedures_for_Students.pdf).

In addition to your tuition fees, there may be certain additional courses specific costs. The additional course costs are located in the attached Course Information Sheet.

If you do not understand the fee information and invoicing details for your course or require further details please contact us.

THE LEGAL BIT YOUR CONTRACT WITH THE UNIVERSITY

This letter describes the offer made to you by Anglia Ruskin University. Should you become a student of this institution you will receive documents describing the teaching, examination, assessment and other educational services offered by the University. In particular you will receive documents containing rules, regulations and procedures for students: acceptance of this offer is subject to your agreement to be bound by the rules, regulations and procedures contained therein. A copy of these rules, regulations and procedures for students is **available here (https://www.aru.ac.uk/-/media/Files/about-us/corporate-documents/Rules_Regulations_Procedures_for_Students.pdf)** for you to review before you accept your offer of a place at the University.

Our contractual relationship is just between you and us. No other person shall have the right to enforce any of the terms of this contract.

Our relationship with you is governed by English law and is subject to the non-exclusive jurisdiction of the English courts.

Interruption to services:

Anglia Ruskin University undertakes to take all reasonable steps to provide the educational and other related services in the manner set out in the prospectus, the website, these documents and other published information. The University cannot, however, guarantee the provision of such services where circumstances occur which are outside of the University's control. This could include industrial action, civil commotion, severe weather conditions, epidemic, pandemic, changes in the law and/or actions taken by a government or public authority, damage or destruction to the University's buildings or facilities, failure by the University's suppliers or sub-contractors, or interruption or failure of utility service providers.

If such circumstances occur which interfere with the University's ability to provide services, the University will take all reasonable steps to minimise the disruption to these services. However, under such circumstances, the University cannot guarantee the maintenance of services and will not be liable to you for events outside of its control which it could not have foreseen or prevented even if it had taken reasonable care.

Changes to services:

In certain circumstances, the University may need to make changes to the previously advertised course content, structure and/or method of delivery of your course or individual modules after you have accepted your offer. This may include discontinuing modules, or changing face-to-face to online delivery.

Reasons for changes include, but are not limited to, the following:

- to meet the requirements of an accrediting, professional, statutory and/or regulatory body;
- to comply with legal, regulatory or governmental requirements;

- to respond to sector good practice or quality enhancement processes, such as in response to student feedback;
- to keep programmes contemporaneous by updating practices or areas of study;
- to safeguard academic standards;
- because of circumstances outside of the reasonable control of the University;
- an external provider no longer being available to contribute to a module and/or course;
- where insufficient numbers of students have chosen an optional module making it unviable to run, or where a member of staff whose expertise was required to run it is no longer available;
- in response to epidemic or pandemic.

If the University decides that it is necessary to make a change before you enrol, we will inform you as soon as it is reasonably practicable in order for you to decide whether or not you still wish to join us. If as a consequence of the change, you decide not to study with us, we will refund any tuition fees and/or deposit that you have paid in advance.

If the University makes a change after you have enrolled, we will inform you as soon as it is reasonably practicable to do so. The University will make all reasonable efforts to minimise any adverse effect the change may have on you and will endeavour to consult with potentially affected students as early as possible where it is able to do so. In cases of material changes to your course of study or where the change is likely to have a serious adverse impact on you, the University may offer you a place on an alternative course or assist you to find an alternative provider. Any entitlement you may have to a refund of fees will be determined in accordance with the University's rules, regulations and procedures for students.

Discontinuing courses:

In certain circumstances, the University may be required to discontinue courses of study prior to you enrolling as a student. This could occur where insufficient students accept offers and it is therefore not financially viable for the University to run the course or where a course will not be accredited/validated by the start of the academic year. In the event that the University is required to cancel your course before you enrol, we will inform you as soon as it is reasonably practicable to do so and we will refund any tuition fees or deposit you have paid in advance. Where reasonable and appropriate to do so, the University will work with you to try and identify a suitable alternative course with us for you to study or offer you a deferred place for a subsequent intake.

In exceptional circumstances, the University may have to merge or discontinue your course once you have enrolled for one or more of the following reasons:

- to comply with legal, regulatory or governmental requirements;
- where accreditation or validation of the course is withdrawn;

- in other circumstances outside our reasonable control which make it impossible or prohibitively impractical to continue the course.

If the University discontinues or merges your course in these circumstances, we will inform you as soon as it is reasonably practicable to do so and will endeavour to consult with potentially affected students. Where appropriate, the University will try and identify a suitable alternative course with us for you to transfer to or, if preferable, we will assist you to find an alternative provider. If you decide to transfer to a new provider, the University will work with your new provider in order to transfer over any academic credit already gained. Any entitlement you may have to a refund of fees will be determined in accordance with the University Tuition Fees section of the Rules, Regulations and Procedures for Students.

Should you become a student at the University this notice shall constitute a term of any contract between you and the University. Any offer of a place made to you by the University is made on the basis that in accepting such an offer you signify your consent to the incorporation of this notice as a term of any such contract.

Complaints:

The University endeavours to maintain the highest standards of service at all times. However, if you feel that any aspect of the University's service has fallen short of what you would reasonably expect, we have complaints procedures in place for you to use [available here \(https://www.anglia.ac.uk/study/more-information-for-applicants/admissions-complaints-and-appeals-procedure\)](https://www.anglia.ac.uk/study/more-information-for-applicants/admissions-complaints-and-appeals-procedure).

If you wish to make a complaint about any aspect of the service provided to you during the recruitment and admission process, you should contact the Senior International Admissions Manager by email: [international@aru.ac.uk \(mailto:international@aru.ac.uk\)](mailto:international@aru.ac.uk) or by post at our registered office address (shown below).

Once you are enrolled as a student of the University, you may raise a complaint using the Student Complaints Procedure as set out in the University's rules, regulations and procedures for students (a link to this document is enclosed). If you remain dissatisfied at the conclusion of the University's internal procedures, you can contact the Office of the Independent Adjudicator ([www.oiahe.org.uk \(http://www.oiahe.org.uk\)](http://www.oiahe.org.uk)) which offers a free and independent review scheme. Please note that the OIA will not consider complaints regarding admissions issues.

For module marks that use a range, we will use the mid-point of the range for our final average calculation.

You will need to provide scanned copies of original official documentation to confirm that the qualification has been awarded and satisfies our entry criteria. This should include a full and final official transcript.

If your qualification documents are not in English you will also need to provide official certified translations. All documents provided should be colour scans, either on headed paper or with an institution stamp.
