Sub: DELNET Membership Renewal

Dear Ms. Negi,

We acknowledge with thanks the receipt of ₹ 13,570 (₹ Thirteen Thousand Five Hundred Seventy only) vide cheque no. 924509 dated 2.3.2024 made towards the DELNET Annual Institutional Membership Fee for the period 24.4.2024 to 23.4.2025. The receipt no. 79686 dated 14.3.2024 is enclosed for the office records.

You are requested to access DELNET databases through the World Wide Web using the following procedure:

Web Address: http://www.delnet.in

Kindly click onto "New Discovery Portal". Since the IP address provided by you is registered with us, you should be able to open the landing page without login prompt. Please let us know if you encounter any difficulty.

We are also glad to provide the following login & password for accessing DELNET remote:

Login   : jimsd
Password   : jims734

Kindly note your Inter Library Loan (ILL for Books) Password is **"jimsdlib"** to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organised by DELNET including sessions on DELNET resources and services. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "**USAGE STATISTICS**" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as **734***1992** to download the pdf, containing usage report of your institution.

I would like to mention that DELNET provides access to more than 3.8 crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through *Knowledge Gainer Portal*. We are pleased to inform you that DELNET has also recently launched ViSiOn Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDReSS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "Jagannath International Management School, New Delhi". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul

Policy Document

E-Governance Policy

Policy Statement

Jagannath International Management School, Kalkaji is committed to advancing decentralised and participatory management across a range of administrative, financial, and academic areas. Additionally, it aims to improve information sharing between the institution's numerous stakeholders and strengthen the institution's existing physical governance infrastructure.

Scope and Applicability

By utilising advanced and scientifically sound technologies, e-government attempts to improve the system of governance for the institute's development and encompasses the following areas:

1) Administration
2) Student Admission
3) Accounts and Finance
4) Examination
5) Library
6) ICT Infrastructure

Key objectives of the policy

The main goal is to integrate e-governance into every aspect of institute operations in order to provide an effective system of governance.

• To promote transparency and accountability in all institutional activities by utilising ICT to automate, transfer, and analyse data or information for admissions, workload, timetable, internal assessment, exam, attendance, result, etc.

• To make information easily accessible.

• To ensure a campus with Wi-Fi access.

• To have the classrooms ICT-enabled and equipped with projectors, smartboards, etc.

The following policies and procedures have been designed for the institute's implementation of e-governance in different areas of operation, including the library, accounts, admissions, administration, and teaching:

(i) Website:

The college has a website that details its mission and vision as well as its history, goals, and objectives. It also provides information on the faculty, its facilities, the courses it offers, as well as the activities of numerous clubs and committees.

A website committee has been established by the institute in accordance with the e-governance policy to manage the college website and ensure prompt updating of the most recent notices and activities. Through its website, the college aims to present a lively and dynamic image of itself.

(ii) Student admission:

The institute provides three-year full-time BBA and B.COM(H) programmes. The University's established rules are followed in the admissions procedure at the institute. The Common Entrance Test (CET) rank is used to determine which students are enrolled. On the website, a brochure with comprehensive information about student-related admittance is available.

(iii)Accounts:

The accounts office makes use of Tally, a programme with cutting-edge capabilities for successfully and efficiently maintaining financial records. For the transactions' secrecy to be maintained, appropriate security measures are taken. The college provides ongoing training for its current employees and makes sure that the software is updated frequently.

(iv)Library:

The institute has focused on improvement of physical and IT infrastructure and made adequate use of ICT in the last couple of years. The state of the art equipment, class room and seminar facilities, IT infrastructure and modern library facilitate teaching and learning process. The facilities have been created by adopting a student centric approach. Library is completely computerized through 'LIBSYS' software.

(v) Examination:

The internal assessment is of 25 marks and 75 marks for end term examinations. Out of 25 marks of internal assessment, 15 marks are allocated for mid term examination and 5 marks each for assignment and attendance. One mid term exam is conducted in every semester and in case of any medical emergencies, a make-up exam is also conducted. The compiled result is discussed with the parents in PTM which is conducted at the end of every semester. Results of internal examinations are sent to university on prescribed OMR sheets.

Hardware & Software Infrastructure

- The college makes sure it has enough desktop computers for both staff and students.

- The administrative office will have computers and printers available.

- Projectors and other multimedia equipment will be available in the labs, classrooms, lecture rooms, and auditorium.

- Regularly purchasing and updating office automation software for computers and laptops, such as Microsoft Office and antivirus.
