Any suggestion for improving the curriculum?

15 responses

None

More practical learning should be made part of curriculum

Syllabus is well revised after 2017 and is up to date.

There is a need for the content of the syllabus to be made more industry oriented

Should introduce optional specialised field subjects in all semesters.

More practical aspects could be added

No

Ample scope to adopt new techniques of teaching such as seminar,presentations,group discussions etc

Nil

The course content needs to be more application oriented

syllabus should be revised and more practical

The syllabus needs to be updated regularly

The curriculum should be revised in light of the changing corporate requirements including the contemporary skillsets
