1. The Society

JIMS Kalkaji, New Delhi and many of its sister institutions of higher learning have been established by the Jagan Nath Gupta Memorial Educational Society, a registered non-profit organization. In pursuance of its belief that standard of living can be improved through Quality Education, the society has been imparting high quality professional education for the past 19 years in NCR-Delhi and Jaipur. It has already set up a good number of quality educational Institutes and is making efforts to establish itself across the country.

JIMS, Kalkaji was founded in 1997 with a clear vision and purpose. It was envisioned that in the foreseeable future it would evolve into a world class business school recognized for its commitment to high powered quality education and research. The institute is fully committed to developing outstanding professionals and entrepreneurs, who exemplify humanistic values, are socially responsible stewards and create and disseminate practitioner-oriented knowledge that will uplift society.

The society has performed a stellar role in spreading education in science and management in India by establishing a number of campuses in Delhi and Jaipur. The students after completing their courses successfully take up the role of entrepreneurs or join industry and business as professionals. They are readily accepted by both the public and private sector in India and abroad.

The society has set up high quality educational institutions as given below:

LIBRARY :

The college library has a huge collection of various kinds of documents, including books, journals, magazines, project reports, compact discs, solved question papers, best answer sheets, and other materials on a variety of topics that collectively support the teaching and other extension programs. Via the library management system "LIBSYS," which also gives users access to the library's online catalogue, the library has automated all of its routine tasks. The library offers a variety of amenities and services, such as book lending, reference, document delivery, photocopying, and material interlibrary borrowing through DELNET. The library features four networked PCs connected via LAN and is completely Wi-Fi equipped, making it easier for users to access electronic materials. Students can study at the library, which also offers a great setting for research. Students can easily conduct research, complete their tasks, and assess the degree of plagiarism in their written work by using computers and electronic resources. The library is automated using LIBSYS software. The programme is now at version Web Centric Lease. The current system, which is fully automated, since 2005. It creates a setting in the library that is very user-friendly. Journals and books: The library includes a substantial collection of books on all aspects of management, information technology, and mass communication, written by both Indian and foreign authors.

To make it simple for students to find the books they're interested in, every book in the stack area is arranged according to subject. A large number of journals are available in the library to support services for fieldwork and study. It offers web-based services that give users access to electronic books, journals, and research databases. A single point of access provides access to thousands of electronic resources. DELNET includes The College Library as a member.

As a result, users at JIMS Library have access to databases maintained by DELNET. Newspapers The JIMS Library subscribes to 14 significant daily newspapers, which are available for reading in newspaper stands. OPAC: Online Public Access Catalogue enables users to find books by author, title, subject, classification number, and publisher. This also offers details on the status of the books that are currently on hand at the library. Course Guide, all course manuals offered by JIMS are kept in the library. The course manual includes the semester's syllabus as well as lesson plans, assignments, test questions, case studies, and other materials that serve as guidance for the lecturers. The college library provides the facility to use the library in the form of Digital library by using the computers kept there.
