To,
Jagannath International Management School,

Greetings from Child Help Foundation (CHF)!

We extend our heartfelt appreciation to Jagannath International Management School (JIMS College) for your continued efforts in promoting awareness-based initiatives within your institution. It was indeed a pleasure to collaborate with your esteemed college for the Cyber Security Awareness Session, conducted in alliance with the Delhi Police Cyber Cell.

Your active participation and encouragement towards such meaningful programs truly reflect your commitment to nurturing responsible and informed students. The enthusiasm and engagement of your students made the session a great success.

We look forward to continued collaboration with JIMS College for similar awareness events and social initiatives in the future. Additionally, Child Help Foundation also provides internship opportunities for students, and we would be delighted to partner with your institution for upcoming internship drives as well.

Once again, we sincerely thank you for your valuable support and cooperation. Together, we can continue to create impactful learning experiences and positive social change.

With regards,

Sanjay Sinha
