E-Library Features and Functions

Keeping up with the changing times and technological advancements, Jagannath International Management School (JIMS), Kalkaji, has launched an E-Library for the benefits of the students during this current situation of remote learning. This initiative of E-Library will allow the students to access the resources of the library virtually. The role of an E-Library is to collect, manage, preserve and make accessible digital objects. The following are some of the function of the E-Library:

- To enhance advanced search, access, and retrieval of information
- To improve library operations
- To enable one to perform searches
- To secure the information
- To preserve unique collections through digitization
- To provide a friendly interface to users
- To avail of network facilities
- To support library functions

Using the E-Library, students can access various resources such as:

- E-Books
- E-Novels
- E-Novels and Magazines
- E-Newspaper
- E-Learning Platforms (Coursera, Edx.org)
- Dictionary (Word of the Day)
- Previous Year Question Papers
